

CUENTA GITHUB

The screenshot shows a web browser window displaying the GitHub profile of user 'josiluna' (yosilunagonz). The browser's address bar shows 'github.com/yosilunagonz'. The profile page includes a circular profile picture of a person with long dark hair, the username 'josiluna', and the handle 'yosilunagonz'. A navigation bar at the top of the profile has tabs for Overview, Repositories, Projects, Packages, and Stars. The 'Overview' tab is active. Below the profile picture, there is a 'Pinned' section showing a repository named 'apiweb-yoc'. A section titled '8 contributions in the last year' features a calendar grid for the months of November, December, January, February, March, April, May, June, July, and August. The 'Contribution activity' section shows a bar chart for November 2022. On the right side, a sidebar for 'Persona 1' (Yocelin Guadalupe Luna Gonzalez) is visible, showing a blue button to 'Activar la sincronización...' and a list of actions: 'Administrar tu Cuenta de Google', 'Salir', 'Gestionar perfiles', 'Invitados', and 'Agregar'. The bottom of the browser window shows a Windows taskbar with various application icons and a system tray indicating the date and time as 07:15 p.m. on 14/11/2022.
